

# Plaquemines Parish Adjudicated Property Program

The following properties were determined surplus on July 13, 2023 by the Plaquemines Parish Council via Ordinance No. 23-97 and are available for purchase by 3<sup>rd</sup> parties. Tax debtors or other interested parties such as heirs or lienholders can prevent the sale of adjudicated property to a 3<sup>rd</sup> party by redeeming the property before a deed is filed in accordance with state law. This is not the only notice that will be provided prior to such a sale, but once a third party has initiated a purchase of adjudicated property and other notices are sent individually, costs associated with redemption will increase. Therefore, individuals are encouraged to redeem their property prior to the initiation of a sale. Call the tax collector's office at 504-934-6894 for a redemption figure.

If you are interested in initiating a sale of adjudicated property, complete and submit the application together with the \$1,000.00 administrative fee. Additional information is available regarding the process on the website for E&P Consulting Services, LLC ([www.parishtaxland.com](http://www.parishtaxland.com)).
